On a rainy day, take advantage of water droplet formations on glass and metallic surfaces. You'll often find rain drops on glass panes at a bus stop, coffee shop windows, the top of a trash can, and any glass or metallic surface on a car. These locations are fantastic for capturing reflected light in raindrops.

You Next is an intimate photographic exploration of the ways black barber shops operate as sites for the cultivation of black male identity and wellness in major US cities. These photos, interviews, and essays tell the full story of the black barber shop in America. "You next" is what a barber says to customers to communicate that they're on deck for a haircut.
