expert. Gelatin makes Jello a semi-solid. 1845 Gelatin comes from bones and cartilage from pigs and cows Enzyme Bromelain is in Pineapple Vitamin C is a co-enzyme to Bromelain Bromelain helps relieve pain in arthritis.

## **Pineapple and Gelatin Enzyme Lab - Auburn School District**

The experiments were

# Where To Download Action Digestive Enzyme Lab Answers

done by varying the conditions of pH and temperatures and subjecting the enzymes to the changes in the conditions. The experiment showed that the enzyme actions are most active at the pH close to seven which is relatively the closer pH of the body. Extremes of pH lower the levels of enzyme activity.
