borrower relief and loss mitigation options made available by the federal mortgage programs, Ginnie Mae seeks to ensure that transactional activity related to these options does not impair market confidence in Ginnie Mae securities.

All Participant Memorandum (APM)

This User Manual is designed to work for the novice and experienced users. It should be easy to run through, but there is also a nice path for a leisurely walk. Please do not be tempted to skip over steps and rush into flight. This is robotics and aviation combined - both of which are quite complex on their own.
