After all, teachers are
the real driving force
behind the creative
thinking in our schools.

If our schools are
lagging behind, we
must be the creative
minds that urge our
students to be curious
and seek new answers.

1-Geometric shape collage. For this first collage I cut up identical piles of the 4 basic geometric shapes. To make the small circles I used hole punchers and the containers below to trace and cut out the larger circles. I chose the few different green shades for my collage but, of course you can do any ...
