Arabic is a widely spoken national language in Sudan. Arabic, as a major language at the national level and English shall be the official working languages of the national government and the languages of instruction for higher education. In addition to Arabic and English, the legislature of any sub-national level of government may adopt any other national language as an additional official working language at its level.

### Languages of Sudan - Wikipedia

A sign in English in South Sudan. South Sudan is a multilingual country, with over 60 indigenous languages spoken. The official language of the country is English which was introduced in the region during the colonial era (see Anglo-Egyptian Sudan). Some of the indigenous languages with the most speakers include Dinka, Nuer, Bari, and Zande.

Colonialism did not only lay down the policy of imposing English, but also the foundation for the mutilation of the Sudanese mind, language and culture by ways of exploiting the linguistic peculiarity of Sudan. It is a well-known fact that Sudan, throughout its recorded history, was a multi-linguistic society.
