The political positions of Ron Paul (R-TX), United States presidential candidate in 1988, 2008, and 2012, are generally described as libertarian, but have also been labeled conservative. Paul's nickname "Dr. No" reflects both his medical degree and his assertion that he will "never vote for legislation unless the proposed measure is expressly authorized by the Constitution".

Something 99% of American voters do not understand. Congress doesn't actually write legislation. The last item of legislation written by congress was sometime around the mid 1990's. Modern legislation is sub-contracted to a segment of operations in DC known as K-Street. That's where the lobbyists reside. Lobbyists write the laws; congress sells the laws; lobbyists...
