### Refrigerated ISO Containers and Container Dimensions

With container transport it is possible to send one or more units at a time, or just a proportion of the full container through what is known as an LCL shipment. With international LCL shipments there is no single shipper, exporter or importer. Instead several companies send to one or multiple recipients without having anything in common.

### Container Transport | IContainers

Multi-Containers. A multi-container structure can do it all. If you require a larger, multi-purpose structure, this is a perfect choice. Individual units stack and combine quickly and easily. Future expansion and mobility are always a possibility.
