Gods Of Eden William Bramley

William Bramley took his very fundamental thoughts and discoveries and put them altogether in this excellent book For those who do not subscribe to the view that 'an alien enterprise' is in charge of humanity, there is still a wealth of information about secret societies, their growth and influence over eons, the instigation of the rotten banking systems, weapons industries, et al, in existence today.

Amazon.com: The Gods of Eden (9780380718078): Bramley ...

The Gods of Eden by William Bramley is a relatively old book written in 1989. It is interesting to note that his purpose was to search the origins of human warfare and not to write this kind of book. Something that is supported by the fact that he hasn't written anything else since then. I read the book about 8 months ago.

Author:William Bramley Reviewed by Theresa Welsh I first read The Gods of Edensome years back (the book was first published in 1989) and it made an impression on me as being a bit different from the other alternate history works I had read. At various times over the years I have picked it up and reread a chapter here or there.

Gods of Eden - William Bramley - Whale

Here is some information and comment relating to the thesis put forward by William Bramley in The Gods of Edenthat the basic cause of war, genocide and conflict in history is not a viciousness innate in the human species (or even in the male part of it) but rather is the less-than-benevolent interference in human affairs by extraterrestrials (members of a race which had its origin other than on Earth, the Anunnaki).

The Gods of Eden - Serendipity

This is the final part of our deep dive into William Bramley's The Gods of Eden.We pick up where we left off last week with the Count of St. Germain, and his strange ability to travel back and forth between warring aristocracy in Europe and England, the part he played in the coup of Catherine II over Peter III in Russia, and later, the implications that he may have staged his death and lived ...
