position. Don't forget to set the temperature. Because you want to test the heat, it is better to set the temperature as higher as it can.

Common Honeywell Thermostat Troubleshooting

The Honeywell RTH5100B Deluxe Non-Programmable Thermostat incorporates a highly responsive and easily readable display screen. The accompanying screen has been extended in length and features a green backlit display that makes dialing in your heating and cooling preferences an absolute breeze. This non-programmable thermostat will readily monitor your home's temperature in an effort to minimize drops and swings to ensure absolute comfort.
