Java Programming: Comprehensive Concepts and Techniques ...

Java Programming - Comprehensive Concepts (3rd Edition) (Shasta Lake) \$5. I am attempting to sell my paperback Java programming book that I used while taking classes at Shasta College. It's been a few years since I've used it but I'm certain that the information within it is still very relevant today. It's essentially only been used during my classes and is in great shape, no torn pages or damage to the book.
