Any KitchenAid blender in the range will create delicious, high quality purées in a flash. The best thing about making homemade baby food is that

you know exactly what's inside! You control the taste and texture and make it just the way your cutie likes it - silky smooth or with some soft lumps to chew on.

**Blenders | KitchenAid**

The KitchenAid K400 is a better full-size blender than the KitchenAid K150. The KitchenAid K400 is more powerful, and it has a larger jar. Its build quality is better, it offers more speed settings, and it even has a self-clean program. Its smoothie performance is better too. However, the K150 is a bit more barebones in features.
