The back is a brownish yellow. Again, the bottom of each featherlet is quite black. This duckling has black feet and a black upper bill, with a pink lower bill. It has no white on the wings. In contrast to my runner duckling, the head dips in between the eyes on the "forehead." There is a very definite V shape there.

The ducklings grew quickly, but Mother Duck had a secret worry. The Ugly Duckling "I can't understand how this ugly duckling can be one of mine!" she said to herself, shaking her head as she looked at her last born. Well, the gray duckling certainly wasn't pretty, and since he ate far more than his brothers, he was outgrowing them.
