Londinium was a settlement established on the current site of the City of London around AD 47-50. It sat at a key crossing point over the River Thames which turned the city into a road nexus and major port, serving as a major commercial centre in Roman Britain until its abandonment during the 5th century. It is possible that the town was preceded by a short-lived Roman military camp but the

London Has Fallen is directed by Babak Najafi and include the main cast of Gerard Butler, Aaron Eckhart, and Morgan Freeman. I enjoyed the movie throughout, even though it started off really boring it definitely had some interesting parts here and there. The ending is also quite fun, in a turn-your-brain-off kind of way.
