If you are looking for Indie books, Bibliotastic provides you just that for free. This platform is for Indio authors and they publish modern books. Though they are not so known publicly, the books range from romance, historical or mystery to science fiction that can be of your interest. The books are available to read online for free, however, you need to create an account with Bibliotastic in order to download a book. The site they say will be closed by the end of June 2016, so grab your favorite books as soon as possible.

Hacks and Mods for the Xbox 360! - reddit

In 2017, the USS Colorado was the first submarine to replace its clunky, heavy periscope controls (which resembled a helicopter flight control stick) with Xbox 360 controllers. The ease of use and familiarity reportedly decreased training time from hours to minutes. Other Virginia-class submarines were slated to get the controllers as well.
