In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

### Motorola Razor Phone Manual

Unlike glass displays, your phone's display is not rigid and is designed to fold. It's normal to see slight waviness where the display folds. You also may feel unevenness under the fold area. This is normal and will not effect the use of the touch screen. » When opening and closing your phone, you may notice sounds due to the motion of
