Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

**Noxious New York: The Racial Politics of Urban Health and ...**
Racial minority and low-income communities often suffer disproportionate effects of urban environmental problems. Environmental justice advocates argue that these communities are on the front lines of environmental and health risks. In Noxious New York, Julie Sze analyzes the culture, politics, and history of environmental justice activism in New York City within the larger context of privatization, deregulation, and globalization.
