Pakistan in the Twentieth Century is, as the subtitle suggests, focused on politics. Ziring describes constitutions and elections and changes in government, but his focus is above all on the leaders. Other facets of the tumultuous history of Pakistan — wars and military operations, provincial and local politics, economics, religious and ethnic identities and conflicts, cultural changes, foreign policy and the Cold War — are only covered where necessary to understand the events at the centre.

The so-called Shahi dynasties ruled the Kabul Valley and Gandhara (modern-day Pakistan and Afghanistan) from the decline of the Kushan Empire in the 3rd century to the early 9th century. The Shahis are generally split up into two eras: the Buddhist Turk Shahis and the Hindu Shahis , with the change-over thought to have occurred sometime around 870.
