To adhere paper to canvas, you'll need a decoupage glue, like Mod Podge, or an acrylic medium. First, apply a thin coat of your adhesive to the canvas using a wide, flat paintbrush. Then, line up your paper and place it on the canvas. Smooth the paper down with your hands to get rid of any creases or air bubbles.

To me, paper has great potential and can transform into almost anything. I have been working with paper over the last 7 years and my work is often jumping into different categories that all relate to nature: It could be sculptures of animals, fruits, book covers, advertising, or visual images," explains the artist.
