Amazon.com: ps3 repair kit

a simple fix for no video is to hold down the power sensor (on older models) or the power button, till you hear 2 beeps, which will reset the video. alternatively, it could be the hdmi lead which is faulty, or indeed the output of the ps3 is faulty..last case scenario, the tv is at fault.. PS3 Lights of Death/Issues, Sequences, Error Codes. | AVForums

If it's a BC model, then a repair/refurb is worth it. If it's not, then replacement is probably the way to go. When my 60GB BC PS3 died, it cost \$150 for Sony to repair. They accepted mine and send back a different refurb'd unit. You get a 90 day warranty on the replaced console.
