Sectionalism, An exaggerated devotion to the interests of a region over those of a country as a whole. Throughout American history, tension has existed between several regions, but the competing views of the institution of slavery held by Northerners and Southerners was the preeminent sectional split and the defining political issue in the United States from the founding of the country until the American Civil War .

sectionalism | History & Slavery | Britannica

One overriding issue exacerbated the regional and economic differences between North and South: slavery. Resenting the large profits amassed by Northern businessmen from marketing the cotton crop, many Southerners attributed the backwardness of their own section to Northern aggrandizement. Many Northerners, on the other hand, declared that slavery - the "peculiar institution" that the South ...
