The avians claim that the first cobra, Kiesha, stabbed the first hawk, Alasdair, in the back. The serpents claim that Alasdair had her people slaughter all seven of the first serpents. The war started and has been going strong for thousands of years. Danica Shardae is born into this war and wishes for peace.

After several immature fantasy novels, Amelia Atwater-Rhodes takes a strike at a more serious kind of story. Unfortunately, "Snakecharm" falls just as flat on its face as her previous books, although in entirely different ways. It has promise for the future, but the most interesting person in the entire book is
