Paper Models - AstroArts

There are a number of freely available paper models out there, some of which are more complicated than other, and some of which are black and white or full color. NASA and other space agencies offer them for free on their websites. One that we enjoy the most is this one from CSIRO, which is Austrlatia's space agency: www.csiro.au/iss . Below are some pictures from our build process, as well as a few tips that are not available in their instruction guide.
