In many ways Waldemar Bonsels' 1912 novel Die Biene Maja und ihre Abenteuer (the English translation of which is titled The Adventures of Maya the Bee) is a typical novel of development, is a classical bildungsroman. The main protagonist, the bee Maja (and I will be using the German spelling of the name throughout my review) is inquisitive, full of the desire to explore, to obtain personal knowledge and individual fulfillment, but she is unfortunately also often stubbornly naive and immature.
