Amazon.com: the great courses: Books

The material obviously hasn't changed, but the Great Courses' classes have. The sets, graphics, video quality, etc. are far better today. And in a course where you should be showing lots of images, showing the names frequently, it's just not good enough for students today. Read more. One person found this helpful.

| The Great Courses Plus

The Great Courses Plus features hundreds of our newest and most popular courses, but does not feature every course available for sale from The Great Courses. It is a video-only service today (some audio editions will be added in the future). ... Plus members receive access to all of the associated Course Guidebooks in digital (PDF) format.

The Great Courses Plus

Please let us know if we can be of further assistance. Thank you for your interest in The Great Courses!"-----While this does not mean anything will change, at least they went to the trouble of responding. I will continue to support their courses that use the outline style guidebooks, but will resist the urge to buy any new ones that do not.

The Great Courses | Audible.com

Rated 5 out of 5 by sdmsec from Great presentation at the right level of detail This course is one of my favorites. The amount of time and level of detail and science for each lecture is perfect for what I wanted. As an example, I just finished the lecture regarding water and search for life on Mars; it provided sufficient time to cover many aspects of the science and evidence corroborating ...
