The Houses Of Louis Kahn

"The Houses of Louis Kahn . . . provides an architectural bridge between the personal and the professional stories, focusing on the nine houses Kahn completed, and designs for two dozen more. The story told by the authors, George H. Marcus and William Whitaker, is one of warm client relations, attention to the smallest domestic detail and a philosophical search for the best arrangement of rooms to call home."

The internationally renowned architect Louis I. Kahn (1901-1974) completed nine houses, all in the Philadelphia area. Although this is a small number, the design of houses spanned his entire career and was every bit as compelling for him, and as pivotal for his work, as the design of his other buildings.

The house, which won the American Institute of Architects Gold Medal in 1950, was the first that Kahn designed after returning from a tour of Italy, Greece, and Egypt. The total construction cost for the house, including cabinetry, furniture, and a Kahn-designed mural, was \$50,000.

The Houses of Louis Kahn: Where Are They Now? | HuffPost

The Estonian-born Kahn designed an estimated two dozen houses during his lifetime, nine of which were built in the Philadelphia area for private clients. Of these nine, all are still standing today, some still owned by the original families. We wanted to get the lowdown on each of these houses, so we did some digging.

5.0 out of 5 stars *The Houses of Louis Kahn* Reviewed in the United States on January 23, 2014 A beautifully designed and executed book. Especially interesting were the background stories of each house, Kahn's philosophy of what a "home" is and the interaction and integration of the the clients' wishes with the design of the home.
