### KVH - Product & Service Resources

I have a TracVision system which quite honestly I am very disappointed with. More often than not it will not lock on to a satellite, which a lot of the time I have put down to the proximity of a particular tree or building, but now I am beginning to smell a rat as I have been informed that I am not waiting long enough for it to lock on, and sure enough the other week I switched it on and went ...
