Rated 5 out of 5 by ronemeyers from Great Range I bought this a month ago and so happy I did. Our previous range was a Whirlpool, it was so good we decided we would purchase another one. Delivery people delivered and was to take our old one away, they asked why we were getting rid of it & I said because it is 18-19 years old, they said it looked new, they couldn't believe it was that old.

While the was fixed for free it took 4 days to get the parts in to do the repair. Over all from a cooking perspective it beats the glass top units by far after you replace the burners. By the way it was the repair person for the door handle that said to replace the burners. I was happy to learn about doing that and what a difference it made.
